Central Epidemic Command Center (CECC) Press Release

藥局、衛生所喘息 4/19起週日不賣口罩

民眾透過口罩實名制2.0網路預購人數越來越多，考量遞送口罩的郵差，以及協助配銷實名制口罩的藥師、藥劑生和衛生所人員的辛勞，為讓其有時間休息，因此自4/19起，每個星期日將不再配送口罩至參與實名制的健保特約藥局及衛生所。藥局若星期一到六仍有剩餘口罩沒賣完，星期日有營業且有意願販售，亦樂見其成不反對，並感謝其服務的熱忱。口罩實名制2.0操作方式已越來越便利，建議民眾可多加利用網路預購方式購買口罩。

Starting April 19, NHI-contracted pharmacies and local health centers to stop selling face masks on Sundays

On April 17, the Central Epidemic Command Center (CECC) reported that an increasing number of people now purchase masks through the eMask system. Considering that mail carriers and pharmacists and related personnel at pharmacies and local public health centers have worked tirelessly to assist in the allotment and sale of face masks, the CECC announced that from April 19 face masks will not be distributed to pharmacies contracted by the National Health Insurance Administration (NHI) and local public health centers every Sunday, allowing the personnel to have time off to rest.
