外籍生注意事項：新增入校不強制佩戴口罩注意事項

The screenshot shows the website header with the KMU OGA logo and search bar. The navigation menu includes Home, Kaohsiung Medical University, SiteMap, FAQ, and KMU Campus security line (Emergency only). The main content area displays a breadcrumb trail: Home > COVID-19 > Information for international students. A news item dated 2020-5-11 is highlighted with a red border, containing the text: "If you can maintain a social distance of 1 meter outdoors when entering the campus, it is not-mandatory to wear a mask. But you must wear a mask while in the classroom. The temperature measurement stations at the entrance of the school will no longer provide masks. If you need a face mask, you can borrow it at the Office of Environmental Health and Safety." A sidebar on the left lists various website sections like News, Introduction, International Student, etc.

進入校園，若能保持室外1公尺安全社交距離，
不強制佩戴口罩，進入教室仍須配戴口罩。

學校入口各體溫量測站將不再主動提供借用口罩，
如果同學急需使用，可至環安室具名借用。

外籍生注意事項：新增球類競賽相關規定注意事項

The screenshot shows the website header with the KMU OGA logo and search bar. The navigation menu includes Home, Kaohsiung Medical University, SiteMap, FAQ, and KMU Campus security line (Emergency only). The main content area displays the breadcrumb path: Home > COVID-19 > Information for international students. The page title is "Information for international students" with a date of 2020-5-11. The text states that while social distancing is mandatory, masks are not required outdoors. A red-bordered box highlights the announcement: "At present the school is open to intramural campus sports competitions. Off campus sports competitions, please still refer to the anti-epidemic group meeting for discussion case by case." Below this, a red text overlay reads: "開放校內球類競賽活動。校外賽事仍請逐案提至防疫小組討論，將視疫情狀況決定是否參賽。"
