外籍生注意事項：新增大型活動注意事項

The screenshot shows the website header with the KMU OGA logo and search bar. The navigation menu includes Home, Kaohsiung Medical University, SiteMap, FAQ, and KMU Campus security line (Emergency only). The main content area displays a breadcrumb trail: Home > COVID-19 > Information for international students. Below this, a red-bordered box highlights a news item dated 2020-5-25 with the following text: "Indoors activities are not limited to 100 people and outdoor activities are not limited to 500 people, but please still maintain social distance and wear face masks, take body temperature, keep your hands clean, real-name system, flow control, environmental disinfection." A sidebar on the left contains various menu items such as News, Introduction, International Student, and Program.

大型活動可不受**室內100人**，**室外500人**之限制，但仍須保持社交距離配戴口罩、參與者量體溫、保持手部清潔、實名制、人流管制、環境消毒。
